Re: MUR 6592

Dear Mr. Jordan.

The Turk for Congress Campaign is without legal counsel. Due to the extensive nature of Mr. Bough's complaint, we respectfully request a two week extension for response so that we may secure legal assistance in addressing Mr. Bough's concerns.

We received the complaint on June 23<sup>rd</sup>. We appreciate any additional time you are able to grant us to properly respond to Mr. Bough's 7 page complaint containing 27 separate allegations of non-compliance.

Sincerely,

Jacob Turk  
Candidate, Jacob Turk for Congress Campaign
